PUIC Bulletin:

In order to contribute to realizing the PUIC objectives, informing the general public about the PUIC as well as highlighting the activities carried out by the various PUIC organs, the General Secretariat of the Union publishes a quarterly called the (PUIC), considered as one of the mechanisms

of information action which we intend to pursue. All of the 12 Editions of our Bulletins are available in PDF format on the website.

Parliaments Directory:

For easier access to our Member Parliaments, Observers and non-PUIC Muslim Parliaments we have published a "Parliaments Directory" containing brief information about the above mentioned legislative bodies and organizations. As Fact about parliaments and their members do not remain static, we plan to update the "Directory" each year. No doubt we welcome comments from our readers and ask their assistance in getting the latest developments about their legislatures.

FURTHER STEPS FOR ACTION

The PUIC is an action-oriented forum of 52 Muslim Parliaments with a clear-cut mandate to serve the Ummah in all pertinent fields, highlight and defend its rightful causes, and make its voice heard in all relevant world bodies.

True to this characterization of its nature the PUIC has recently taken steps to fulfil that mandate, namely:

- (1) Holding qualitative Conferences of women parliamentarians to discuss pertinent issues of Muslim Women.
- (2) Planning to convene qualitative conferences of youth in view of the highly significant this social category. The need for holding a Conference on the Muslim Child has also been underlined.
- (3) Establishing a Standing Parliamentary Committee on Palestine. The Committee has already met and its Rules of Procedure are in place.
- (4) Formulating an Islamic Parliamentary Declaration which will set the guidelines for action at both Islamic and international levels on all issues of concern to the Ummah and the world at large.
- (5) Instituting follow up efforts in order to implement resolutions adopted at the various meetings of the PUIC Organs. This ensures that the outcome of exhaustive and exhausting discussions and deliberations shall not be confined to shelves or drawers.
