PUIC LONG STRIDES

Since its establishment on 17th June 1999, the Parliamentary Union of the OIC Member States (PUIC) has made substantial and important progress at the inter-Islamic level as well as across the globe. The Founding Conference, hosted by Tehran, was attended by forty four Muslim States: (12) from Africa, (20) from the Arab Group, (11) from Asia, plus Albania (Europe) and Guyana (South America). PUIC membership has risen to (53) parliaments, and it is hoped that more parliaments/ assemblies will accede to the Union in the near future. Long distances have been covered at the level of observer affiliations. From only (14) observers, the PUIC has now (22) observers from different continents and regions of the world. It is most pertinent to give full coverage to these "Observers":

1. The Inter-Parliamentary Union (IPU)
2. The Arab Parliamentary Union
3. The African Parliamentary Union
4. The Asian Parliamentary Assembly (APA)
5. The Consultative Council of the Maghreb Arab Union
6. The Organization of Islamic Cooperation (OIC)
7. League of Arab States (LAS)
8. The African Union
9. International Committee of the Red Cross (ICRC)

19. The MORO National Liberation Front
20. Statistical, Economic and Social Research and Training Center for Islamic Countries

The afore mentioned list underscores diversity in the domain of geography, politics, economy and culture. This fact reflects recognition of the PUIC as a significant regional and international legislative body. It also underlines world-wide acceptance of PUIC role and objectives to consolidate peace, security and understanding among all the peoples of the world. It expresses appreciation of the activities of PUIC General Secretariat in promoting communication and contact with similar organizations in all continents.
