Fact about parliaments and their members do not remain static, we plan to update the "Directory" each year. No doubt we welcome comments from our readers and ask their assistance in getting the latest developments about their legislatures.

PUIC: A NEW HORIZON

The meeting of the Secretaries General of the PUIC Member Parliaments in Istanbul on the side-lines of the Tenth Session of the PUIC Conference goes hand in hand with the enhancement of joint Islamic Parliamentary action under the umbrella of our Union. The number of the PUIC Member Parliaments has increased with the accession of such countries as the Maldives, Comoros and Nigeria. The PUIC is also hoping to join the United Nations in an observer capacity. This step, if materialized, is apt to broaden the scope with which the PUIC may function at the world level.

It is hoped that the afore-mentioned meeting will result in the establishment of a permanent body i.e Association of Secretaries General of the Parliamentary Union of the OIC Members States. This body is expected to perform two substantially important tasks: cooperation and coordination between the parliaments of the PUIC.

The Draft Agenda of this meeting reflects the seriousness and ambition with which this step is viewed by its proponents, namely:

- Establishment of an e-mail group
- Establishment of the web page of ASGPUIC
- Establishment of a system to exchange information
- Bilateral Exchange Programs/Study Visits
- Study Groups or Committees
- Experts/Advisers of Permanent Parliamentary Committees
- Inter-parliamentary Friendship Groups Secretaries
- Inter-Parliamentary Committees
- International Conferences on Certain Subjects
- Comparative Studies
- Association of Secretaries General of Parliamentary Union of Islamic Countries

No doubt our parliaments have a huge wealth of experience in the various parliamentary work which they may share among themselves in order to realize the objectives of our Union.
