

PUIC PUBLICATIONS

PUIC Bulletin:

In order to contribute to realizing the PUIC objectives, informing the general public about the PUIC as well as highlighting the activities carried out by the various PUIC organs, the General Secretariat of the Union publishes a quarterly called the (PUIC), considered as one of the mechanisms of information action which we intend to pursue. All of the 22 Editions of our Bulletin are available in PDF format on the website.

Parliaments Directory:

For easier access to our Member Parliaments, Observers and non-PUIC Muslim Parliaments we have published a "Parliaments Directory" containing brief information about the above mentioned legislative bodies and organizations. As facts about parliaments and their members do not remain static, we plan to update the "Directory" each year. No doubt we welcome comments from our readers and ask their assistance in getting the latest developments about their legislatures.

PUIC USBs and DVDs:

The General Secretariat of the PUIC regularly prepares Flashes (USB) before holding its meetings and DVDs after its meetings. Flashes are distributed to all participants during the meetings in order to have all the Reports, Publications, and Regulations of the PUIC in PDF format and in 3 languages. DVDs are sent by DHL to all members after end of PUIC meetings including the Final Reports in PDF format and in 3 languages, Photos and Films of the meetings.

AL-QUDS: RED LINE THREATENED

The US President's recognition of Al-Quds as the capital of the Zionist entity (Israel), and his decision to transfer the US embassy from Tel Aviv to the holy City is an action fraught with grave ramifications.

It shows high insensitivity for the sentiments of almost two billions of Muslims around the world. For Muslims Al-Quds is a red line whose crossing shall be met with strong reaction, the consequences of which only God Knows. The US action is also a shock to the international community which has been exerting ceaseless efforts through the years to find a just, durable and comprehensive peace to the Israeli-Palestinian dispute and the Middle East conflict. Mr. Trump's move sabotages such efforts and threatens peace, security and stability in a region already witnessing turmoil and seditions in most of its parts.

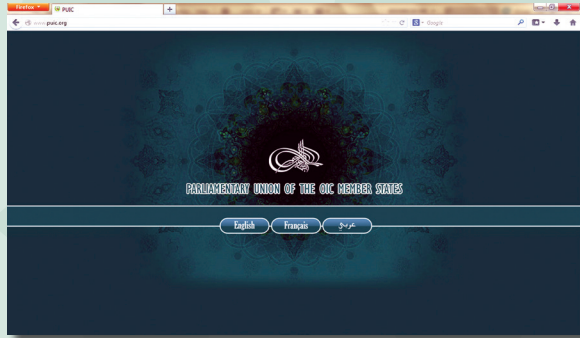

Al-Quds is the focus of the unity of all Muslims who will not abandon the most sacred place after Makkah Al-Mukaramah An Al-Madina Al-Munawarah. We are quite certain that unifying the efforts of Muslims together with those of all free people of the world will lead to the liberation of this holy city.

While appreciating the efforts exerted by all the PUIC Member Parliaments in this respect, we are sure that all of them will have a unified voice in the forthcoming PUIC Conference.
